Kohima, Nagaland 797001

**Subject: Thank you for your support towards Help Nagaland Breathe Campaign**

Respected Sir,

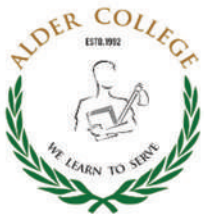

On behalf of our team at Help Nagaland Breathe I want to extend our heartfelt gratitude for supporting the Help Nagaland Breathe Campaign by providing logistical support between April 2020 - January 2021. Your support allowed us to comfortably manage medical supplies sent to all 12 districts and 51 health centers in Nagaland.

Your support helped tremendously during an uncertain time such as this, and provided invaluable support to our work. Your generosity provided the critical resources necessary to respond to needs as they arose. We truly appreciate that you have chosen to demonstrate your shared commitment to our mission with such generosity.

This has been a time of change, fear and coming together. We couldn't possibly do it without your help. Thank you for changing what's possible during this unprecedented health crisis. Again, I believe I speak for all our team members when I say we are absolutely humbled by the continued generosity we received from Alder College. It demonstrates the strength and resilience we have together as a community, and we are grateful to be a part of it.

With deepest gratitude,  
On behalf of HNB,

Limahuala Jamir

## Inter-college Naga Wrestling Competition

Naga wrestling(Kene) is a folk wrestling style which is unique and a traditional sport of the Nagas. Naga wrestling is mainly played by the Tenyimia ethnic group of the Nagas.

Inter-College Naga wrestling competition was held with much competition and great showmanship from the student wrestlers. This included two participants from outside the usual Tenyimia communities which was “significant and encouraging”.
